Classic period of mayan
civilization

250 AD

Decius' great persecution
of the Christians.

249-251^{A.D.} ~~Emperor~~ CAIUS MESSIUS QUINTUS DECIUS
(COG ENCYC)

Born 201 A.D. - Roman Emperor (249-251). born
Pannonia. He was sent by PHILIP (Philip
the Arabian) to quell a mutiny, but when
the soldiers hailed him as emperor, he
marched at their head, defeated and
killed PHILIP near VERONA, and accepted
the title of emperor, adding TRAJAN (TRAIANUS)
to his name. He undertook to rebuild the
state, and in an effort to revive the state
religion, he persecuted the Christians vigorously.

He was killed in attempts to repel
an invasion of the Goths into Moesia
and was succeeded by GALLUS

AD

250-325 Licinius was emperor

Born

AD 308 Co-emperor with Galerius

He allied himself with Constantine I and defeated Maximian in 313 AD, thus becoming sole ruler of East

Constantine II defeated him in 344 AD and again at Adrianople and Chrysopolis. Licinius was imprisoned and finally put to death.

3rd Cen AD
